Profile

Recent Bachelor of Computer Applications (BCA) graduate from Savitribai Phule Pune University with a strong foundation in computer science, programming, and data analysis.

Skilled in data visualization tools and techniques to derive insights and support decision-making. Highly motivated and eager to leverage my skills in a dynamic environment, with a keen interest in roles such as data analyst or Python developer.

Education

2021/07 – 2024/06	**Bachelor of Computer Applications (BCA)** **8.06 (CGPA)**

Skills

PROGRAMMING SKILLS
Python, Pandas, NumPy, Matplotlib
Seaborn

Programming Languges

Python
Pandas | NumPy | Matplotlib,
Seaborn

SQL
ETL Processes
Performance tuning and optimization
SQL-based reporting

Data Analysis
Data Extraction | Cleaning | Joins
Sorting

Data Visualization
Data Interpretation | Visual Analytics   Charts |
Plots

Projects

Zomato EDA
(*Pandas,NumPy,Matplotlib,Seaborn*)
- Addressed missing values, corrected inconsistencies, and standardized data formats to ensure data quality.
- Bivariate Analysis,Univariate Analysis
- Identified key factors affecting ratings and customer preferences.
- Generated new features to enhance analysis, such as categorizing restaurants based on price ranges and rating thresholds.
- Summarized key findings and trends, providing actionable insights on restaurant performance and customer preferences.
- Created interactive and static visualizations
